DECLARATION

According to the recipe in the production of **SABIC® PP PHC31 - in all colours** the following substances as such are not intentionally added:

- animal substances or substances of animal origin.

Although the above-mentioned substance(s) as such is / are not intentionally added to this polymer grade, and the absence has not been checked by tests, this does not exclude the presence of negligibly slight traces due to, amongst others, impurities in the components supplied by external parties and used in the production of such components.

This declaration applies to the material as it leaves its production facilities. It does not cover any substance(s) or preparation(s) subsequently added and/or in expert material processing or article fabrication further down in the supply chain.

Please note carefully that Regulations develop continuously and that SABIC declarations may be adapted accordingly. This declaration replaces all previous versions relating to this subject and product, and will be valid for a period of 3 (three) years, after which it will automatically expire.

If you have any further questions, or require any additional information on the above, please use the "[Contact Us](#)" form on the SABIC website. Select "[Regulatory](#)" as option under "[What is the nature of your inquiry](#)". The form is available via <https://www.sabic.com/en/contact>.
